The fee charged on October 17, 2006 for Fee Code 2201, application number 10/663,179, was erroneously charged for independent claims in excess of 3. The original application was filed with 5 independent claims, see Fee Transmittal dated September 15, 2003 showing payment for 2 extra claims. Also attached is the Patent Application Fee Determination Record showing the 2 extra claims, along with the PTO Fee Record Sheet showing the extra claims were paid. However, the Patent Application Fee Determination Record for Amendment B dated November 16, 2006 shows that there are now six independent claims with an additional fee of \$300 for three new independent claims. The Claims as Filed - Part 1 of the form is not filled in which would have shown the original claims filed as 55 and 5 independent claims. With the prior payment of two extra claims the payment should have been for the one extra claim added in the amendment. We request this charge be adjusted to correctly reflect the addition of one independent claim not previously paid.

BEST AVAILABLE COPY

Two additional charges on the October 31, 2006 statement relating to the same application have already been refunded. If these erroneous charges had not been posted to the deposit account the account balance would not have fallen below the \$1,000 which would then generate the service fee. We also request that this fee be refunded.

Please contact me at 775-826-6160 if you should have any questions. I appreciate your prompt attention to this matter.

Cordially,
